- TARC3 Paratransit is shared-ride personalized transportation for people who are certified through Transit Authority of River City to use TARC3.
- Service is available 5 a.m. to 10:30 p.m. seven days a week. Subscriptions are for trips that are performed at the same time each week. Trips are automatically placed on a given route, eliminating the need to call for reservations.

- Changes to subscription trips are permitted twice per year.
- Riders may place subscription trips on hold for up to 30 days one time per year.
- Subscription trips are automatically cancelled on major holidays except for dialysis patients.
