TARC is Greater Louisville's public transportation system with bus routes in Jefferson, Bullitt and Oldham counties in Kentucky and Clark and Floyd counties in Indiana. All TARC buses have WiFi, equipped with bike racks and are wheelchair accessible.

## Easy Trip Planning

You can plan your trip through Google maps or **TRANSIT**® and track your ride in real-time. By entering your departure and arrival locations and time of travel, this service provides a quick step-by-step itinerary of your bus trip including directions to the nearest stop. If you use a smartphone, you can access a Google Maps or the Transit mobile applications to plan a TARC trip.

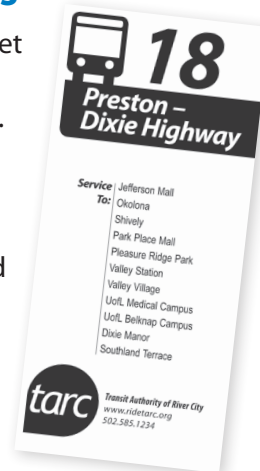

## TARC Stop

TARC buses stop only at shelters and designated bus stops clearly marked with red and white "TARC STOP" signs.

## Schedules and Maps

TARC's system map and pocket schedules for each route are available at [www.ridetarc.org](http://www.ridetarc.org). You can also find schedules and maps at several locations in Metro Louisville including the Hall of Justice at Sixth and Jefferson streets, the main branch of the Louisville Free Public Library at Third and York streets and at the University of Louisville Student Center on the Belknap campus.

## How to Ride

-  Arrive at your stop at least five minutes before the bus arrival time.
-  As the bus arrives, look for the electronic sign displaying the route number and name to be sure it's your bus.
-  Have the correct cash fare (**exact change only**) or ticket ready to put in the fare box just inside the door, or show your pass to the driver as you board.
-  To signal the driver that you want to get off the bus, pull the cord above the windows a block before your stop.

## Connecting Routes

If your trip requires a transfer or stop, you can ask the driver for a transfer when you board. With a transfer slip, you can continue your trip on any bus in any direction at no extra charge if you board within two hours from the time the transfer is issued. To transfer to an express bus trip, you will need to pay an additional \$1 or 50 cents for discounted rides.\*

## Special Services

### Park and Ride, Bikes on Board

If you live too far from a bus stop to walk, you can check out TARC's suburban park and ride locations, primarily at churches and shopping centers, at [www.ridetarc.org](http://www.ridetarc.org). You can drive to a lot, park and leave your car and take TARC, or you can ride your bike to the bus stop and use the bike rack on the front of the bus.

### TARC3 Paratransit

For pre-authorized customers whose disabilities prevent them from taking a TARC bus, TARC3 provides door-to-door service. For more information on this service and eligibility, visit [www.ridetarc.org](http://www.ridetarc.org) or call 502.585.1234.

### LouLift

All-electric, no emission LouLift buses circulate frequently downtown and are fare free.
