

Phase A Proposed Service Changes

Phase A

Proposed Service Changes

Phase A: Proposed changes include discontinuing the LouLift circulators (routes 01 & 77), local route 62, circulator 96, and all express routes (except 61X, 67X, & 78X).

TARC Local routes 17, 31 and 40 all operate a limited number of express trips in the morning and afternoon peak. There are no changes proposed to these routes or their related express trips.

Routes Discontinuing Service:

- 1&77 Lou Lift Circulator
- 45X: Okolona Express
- 49X: Westport Express
- 53X: Breckenridge Express
- 54X: Manslick Express
- 62: Breckenridge-Shepherdsville
- 64X: Fincastle-Forest Springs Express
- 65X: Sellersburg Express
- 66X: Bullitt County Express

- 68X: Prospect Express
- 96: Health Science Circulator

Routes with Limited Trips:

These routes will operate two trips in the morning and two trips in the evening.

- 61X: Plainview Express
- 67X: Oldham County Express
- 78X: Bluegrass Downtown Express

Additional Information:

Because of social distancing restrictions in place due to COVID-19, public comment meetings on the proposed changes will take place online. Public comments also may be submitted by email to PublicComment@ridetarc.org.
