# **MEMORANDUM**

To: John Launius, Chair of TARC Board of Directors

**From:** Carrie Butler, Executive Director

Date: December 14, 2021

Re: Resolution 2021-51

In 2018, the Federal Transit Administration undertook a Financial Management Oversight (FMO) Review at TARC. The FMO is within FTA's purview and did not arise from a prior finding or documented issue. The FMO can be undertaken after a particular project, or to follow up on a finding, to explore an issue from a FTA Comprehensive Review or 'triennial' review, or agencies may be selected at random. In November 2020, FTA requested a follow up from the 2018 process; this FMO review concluded in September 2021.

As part of this review, the FMO found that TARC's Financial Management Policy needed to be amended to clarify job titles and responsibilities, especially those of the Chief Financial Officer (CFO) and Director of Finance. Accordingly, TARC has amended this policy to make clarifications of job titles and responsibilities; and clarified and/or modified the budget, financial and procurement processes included in the policy. The draft policy with a redline version is attached for your review.

My recommendation is that the Board adopt this Financial Management Policy via resolution so that TARC is in compliance with the recommendation of the FMO audit and our new policy reflects our current processes.

Please call me at (502) 561-5100 if you have any questions.

# **RESOLUTION 2021-51** Financial Management Policy

A resolution adopting updated Financial Management Policy as recommended by the Federal Transit Administration resulting from the Financial Management Oversite Program (FMO) to clarify job titles and responsibilities and to accurately depict our current budget, financial and procurement processes;

WHEREAS, a follow-up FMO was conducted beginning January 2021; and

WHEREAS, the FMO was completed in September 2021; and

**WHEREAS,** TARC wishes to update its Financial Management Policy to clarify job titles and responsibilities, and update the processes set forth therein to reflect current practices; and

**NOW THEREFORE, BE IT RESOLVED** by the Board of Directors of the Transit Authority of River City that:

The updated Financial Management Policy is hereby adopted to make clarifications as recommended by the FMO and to reflect current budget, financial and procurement processes.
