THE Y IS FOR ALL

The YMCA of Greater Louisville is a not-for-profit organization committed to helping people reach their full potential in spirit, mind and body.

We are here to serve people of all ages, backgrounds, abilities and incomes. That's why we offer Financial Assistance for Membership and Programs, which is based on a sliding fee scale that is designed to fit each individual's financial situation.

The funds available for Financial Assistance are made possible through the generosity of our donors (members, staff, volunteers & community) through our YMCA Annual Giving Campaign.

Financial Assistance for Membership and Programs

Financial Assistance for Membership and Programs is available to individuals and families with annual household income under \$65,000.

Using our Income-Based Rate Scale, your monthly membership rate or program fee may be reduced 10%-40% based on your annual household income.

We understand your financial records may not reflect the entire picture of your financial needs. With this in mind, we provide additional assistance based on need.

If you are interested in applying for Financial Assistance for Membership or Programs, please stop by your local YMCA branch or call 502.587.9622 and request a confidential application.

You will be asked to provide the following documents:

- **Copy of the most recent 1040 Tax Return for all adults (above age of 25) in the household. If you do not file taxes, you may obtain an IRS transcript by calling the Internal Revenue Service at 1.800.829.1040 or go to [irs.gov](https://www.irs.gov).**
