Event Summary

The TARC 2025 team presented to the monthly meeting of the Louisville Metro Human Relations Committee. The focus was to introduce TARC 2025 - the need and process - and then go over the three TARC 2025 concepts. Discussion questions/comments included:

- What are potential other sources of transit operations revenue in addition to the Jefferson County occupational tax?
- Transit and denser communities are important support ingredients for each other

Participant Description

6 Black, 3 white.
