

Bellarmino University tabling event

Event name

Tabling event over lunch in the Student Center near food court

Location/Date

Bellarmino University; 9/17/24

Time of event; 11:00 a.m.

Weather

Inside Student Center

Team Participants

TARC Marketing and Communications department staff

Attendees

23

Event Summary

TARC tabled for several hours in the Student Center in order to give Bellarmino students a chance to learn about TARC 2025 and make their voice heard. International students living off campus were particularly worried about getting to and from campus. While both concepts still have stops at Bellarmino the ridership concept may cut them off. There were also concerns about TARC3 service being reduced.

Participant Description

Bellarmino Students
