### **MEMORANDUM**

**To:** TARC Board of Directors

**From:** Ozzy Gibson, Executive Director

**Date:** August 26, 2025

**Re:** Resolution 2025-34 TARC Updated Agency Safety Plan

The Federal Transit Administration (FTA) requires TARC as a public transportation agency and recipient of Section 5307 Urbanized Area Formula Grants to prepare and maintain an Agency Safety Plan (Plan). The Board in Resolution 2021-06 adopted TARC's Agency Safety Plan. In addition, the Board amended this Plan in March 2024 through Resolution 2024-11 to modify strategies for airborne illnesses and operator assaults.

The FTA has suggested some additional modifications be included in such Plans, which deal with Safety Performance Targets. Originally, there were seven (7) Safety Performance Targets and in 2025, the FTA recommended adding seven (7) more Safety Performance Targets for a total of fourteen (14) targets.

The 14 Safety Performance Targets are:

- 1. Major Events
- 2. Major Event Rate
- 3. Collision Rate (new)
- 4. Pedestrian Collision Rate (new)
- 5. Vehicular Collision Rate (new)
- 6. Fatalities
- 7. Fatality Rate
- 8. Transit Worker Fatality Rate (new)
- 9. Injuries
- 10. Injury Rate
- 11. Transit Worker Injury Rate (new)
- 12. Assaults on Transit Workers (new)
- 13. Rate of Assaults on Transit Workers (new)
- 14. System Reliability

The accompanying Resolution seeks the Board to approve the modified Plan.

Please call me at 561-5100 if you have any questions. Thank you.
