Public Comment Response:

Public Comment Preamble: The TARC Board values hearing from its customers, TARC employees and public at large. This Board will not respond in this meeting to any comments made at this time. However, TARC will post a response on TARC's website regarding the comments made by the following meeting. In addition, the TARC Board may assign the feedback or comments to be further examined by its subcommittees and, if warranted, further addressed by TARC.

Sharlene Martin: The Board appreciated hearing from Ms. Martin regarding TARC's attendance rules. As a public transit agency responsible for providing safe, efficient, and timely transit service to the Louisville and southern Indiana communities, TARC strives, and adopts policies, to ensure buses run on time and as expected by TARC's customers. In addition, TARC highly values the welfare and needs of its workforce, and considers employee needs and well-being in the consideration and implementation of all policies and procedures. TARC management welcomed input from the union in crafting and developing the current attendance policy.
